RMKS/1. This message announces the annual special duty assignment
pay (SDAP) recertification process for Selected Reserve Sailors
(SELRES) for fiscal year (FY) 2024. Per references (a) through (d),
Navy Reserve Activity (NRA) Commanding Officers, in coordination
with reserve unit leadership, are required to annually review and
certify each Sailor's entitlement to SDAP. This recertification is
vital in verifying that every Sailor assigned to an eligible billet

For commands who had SDAP payments stopped as a result of failing to complete the required process, SDAP can be restored upon completion of the directed recertification process.

3. Reserve SDAP levels are 1/30th of the full active duty monthly SDAP levels listed in ref (b) per ref (d).
