6. Congratulations and well done to each of our award winners. The
RPPEA award is competitive by design, and a testimony to each
command's commitment to the professional growth and development of
our Sailors. Commands emphasizing teamwork and collaboration as
reflected by their selection for the RPPEA deliver improved command
cohesion, positive command climate and enhanced warfighting
effectiveness. Your dedication and commitment to excellence is
exemplary.

7. I look forward to seeing more commands join the ranks of our
award winners next year. By working together and leveraging each
other's strengths, I'm confident that we can accelerate our progress
and achieve even greater levels of excellence in the years to come.
