RMKS/1. This is a solicitation for Training and Administration of
the Reserve (TAR) and Selected Reserve (SELRES) nominees in the
grades of E-8 to E-9 and O-5 to O-6 to fill board member vacancies
on the NNRPB for a three-year commitment starting in January 2027.
Applicants must have a minimum of three years of eligible service
remaining.

2. Per reference (a), the NNRPB was established to "Consider,
recommend, and report to the SECNAV on Reserve policy matters."
The NNRPB works at the strategic level and prospective members
should possess a wide range of experience, with records of success
in their military and civilian careers, as applicable. The NNRPB
will give preference to applicants who possess national security
or Reserve policy experience, demonstrate competence to address
emergent issues, and desire to promote efficiency and
effectiveness of the Reserve Component.

3. NNRPB members will dedicate considerable time to policy issues
throughout the year and must be able to attend at least two
in-person NNRPB meetings per year (typically March and September)
in Washington, D.C. The committees on the board may meet virtually
monthly and as required year-round between the two in-person
meetings. Meetings may take place both during the workday and
outside of the normal workday.

4. Applicants for the NNRPB may begin applying immediately.

4.a. Applicant packages shall be submitted electronically at
<https://private.navyreserve.navy.mil/cnrfc/N-Codes/N5A/nnrpbapply>
by 31 July 2026.

4.b. Application packages shall consist of a single PDF (i.e. the
single PDF shall include all components of the application). The

file shall include a letter no longer than two pages providing the following information for the applicant: rank, name, Navy email address, best phone number for contact, current Navy position, a description of last five Navy assignments, and a statement about why the applicant wants to be on the NNRPB. The letter should include insight into the applicant's experience with national security policy, Reserve Component policy, or organizational administration policy, as applicable. Applicants may also include a detailed description of service, if any, on civilian boards of directors/advisory boards (including corporate directorships), in elected or appointed office or as staff to a corporate director or elected/appointed official. One letter of recommendation (which does not count in the two-page personal statement limitation) may also be submitted and included in the single PDF file.

5. Selectees will be notified personally by the Chair of the NNRPB no later than 1 December 2026.

6. Reports. Policy board application packages are exempt from reports control per reference (b).

7. Released by CAPT E.R. Johnson, Chief of Staff, COMNAVRESFOR.//
