NARR/REF A IS ALNAVRESFOR 015/22, MOBILIZATION DEFERMENT

POLICY UPDATE FOR MEMBERS AFFILIATING WITH THE SELECTED RESERVE.

REF B IS ALNAVRESFOR 002/22, SELECTED RESERVE HEALTH CARE

PROFESSIONAL OFFICER RECRUITING. REF C IS TITLE 10 U.S. CODE SECTION

12302, READY RESERVE.//

RMKS/1. This ALNAVRESFOR supplements reference (a),

revising the mobilization deferment policy contained therein as it pertains to

Health Care Professional (HCP) Officers.

2. In support of HCP Officers (designators 2105, 2205, 2305, and

2905) choosing to affiliate with the Navy Reserve as drilling

Reservists in a pay status, the following involuntary mobilization

deferment policy is implemented upon release of this ALNAVRESFOR

message.

3. Program Guidance:

a. All HCP Officers: Direct Commissioned Officers (DCO), Navy

Veteran (NAVET) prior service officers, to include AC2SELRES

transitions and members of the Individual Ready Reserve (IRR),

Voluntary Training Unit (VTU) and Active Status Pool (ASP) who

affiliate with the Navy Reserve in a paid, drilling status, qualify

for a 3-year mobilization deferment from involuntary mobilization,

commencing on the Selected Reserve affiliation date.

This 3-year

deferment policy also extends to Other Service Veterans (OSVET),

Inter Service Transfers (IST), and officers with a break in service

requiring reappointments as applicable, when affiliating with the

SELRES in a paid, drilling status. This mobilization deferment

applies to all qualifying prior service HCP Officers, regardless

of active duty separation date.

b. Upon affiliation, the gaining Navy Reserve Center (NRC) will enter a Manpower Availability Status (MAS) code of PRO into the Navy Standard Integrated Personnel System (NSIPS) and track the total time of deferment. Upon reaching the end of the deferment period, the NRC will remove the PRO MAS code. Accurate accounting of the effective dates for the PRO MAS code is imperative.

c. HCP Officers may volunteer for a mobilization at any time during the deferment period. Upon signing Administrative Remarks (NAVPERS 1070/613) voluntary waiver of deferment, the NRC will remove or change the PRO MAS code to VOL to reflect a volunteer status. If the HCP Officer desires to remove the VOL MAS code and is not currently identified for mobilization, the PRO may be re-entered until the original 3-year deferment date from affiliation has passed.

4. This policy will remain in effect until further notice.

5. Released by Vice Admiral John B. Mustin, Commander Navy Reserve Force.//
