RMKS/1. This is a solicitation for Training and Administration of the Reserves (TAR) and Selected Reserve (SELRES) nominees in the grades of E-8 to E-9 and O-5 to O-6 to fill board member vacancies on the NNRPB for a three-year commitment starting in January 2023. Applicants must have a minimum of three years of eligible service remaining.

2. Per reference (a), the NNRPB is established to "consider, recommend, and report to the SECNAV on reserve policy matters." The NNRPB works at the strategic level and prospective members should possess a wide range of experience, with records of success in their military and civilian careers, as applicable.

2.a. NNRPB members will dedicate considerable time to policy issues throughout the year and must be able to attend at least two NNRPB meetings per year (typically March and September) in Washington, D.C. The committees on the board meet virtually monthly and as required year-round between the two in-person meetings.

2.b. During this selection cycle, the NNRPB expects to select TAR

as well as SELRES officers and senior enlisted to fill Principal Member positions and Alternate Member positions. The representation of TAR personnel on the NNRPB as Principal Members is new for this year's selection process.

3. Applicants for the NNRPB may begin applying immediately.

3.a. Applicant packages shall be submitted electronically at <https://private.navyreserve.navy.mil/cnrfc/N-Codes/N5A/nnrpbapply/> by 4 November 2022 in one PDF.

3.b. Application packages shall consist of a single PDF (i.e., the single PDF shall include all components of the application). The file shall include a letter no longer than two pages providing the following information for the applicant: rank, name, navy email address, best phone number for contact, current Navy position, a description of last five Navy assignments, and a statement about why the applicant wants to be on the NNRPB. Applicants may also include a detailed description of service, if any, on civilian boards of directors/advisory boards (including corporate directorships), in elected or appointed office, or as staff to a corporate director or elected/appointed official. One letter of recommendation (which does not count in the two-page personal statement limitation) may also be submitted and included in the single PDF file.

4. Selectees will be notified personally by the Chair of the NNRPB no later than 15 December 2022.

5. Reports. Policy board application packages are exempt from reports control per reference (b).

6. Released by CAPT J.J. Molinari, Chief of Staff, COMNAVRESFOR.//
