PROGRAM MANAGER NOTES

Happy Spring Strategic Sealift Officers,

The Honorable John C. Phelan assumed duties as our 79th Secretary of the Navy. Read his priorities and vision through ALNAV 026/25 [here](#). I like his quotes.

Thank you to all who met the March 31, 2025 ADT request deadline. MSC N15 is working to keep our commitment IAW UPDATE #1 SSOF FY25 Q3/4 Priorities published April 25, 2025 by ForceConnect. CNRFC N7 ADT Schools funds are not available for our SSO training (JLOC, MLOC, or STCW) due to higher requirements for the balance of Fiscal Year (FY) 2025.

Thank you to 395 members who updated their CEI info in NSIPS in the last year. 81 updated it with the new MSC N15 format. The CEI Tool spreadsheet is downloadable on the SSO Tool Kit.

An April spot check of routed NROWS orders to CNRFC N14 found 80% (4 of 5) had hard holds (with medical as the primary reason). Please continue to respond promptly when we reach out to resolve these issues – we want you on orders too.

Later this month we observe Memorial Day. May we never forget the sacrifices made by our fellow service men and women defending the Constitution and our freedom. Celebrate responsibly.

I was pleased to meet a shipmate *in person* after being their OIC several years ago. It is rewarding to see the lasting effects of professional development as a result of our SSOF C2 Structure. Do you have an example of C2 impact you want to share? Please e-mail our Assistant Program Manager before August 1, 2025 at brian.p.piaschyk.mil@us.navy.mil with subject “SSOF C2 Impact.”

Grateful for your Service,
CDR Lee C. Dortzbach

“In peace and war”
