## HOW TO LOCATE YOUR OIC/AOIC

---

Your OIC/AOIC within the C2 Structure should be your first "go to" person for all SSO matters. They are mentors who can advise and guide you on your SSO career and fulfilling your commitment. OIC/AOICs should be able answer or provide guidance for you on the following:

- Getting back into your email
- Submitting for points
- GMT trainings
- Local NOSC help
- IDT orders
- PHA (Medical / Dental)
- BCA/PFA

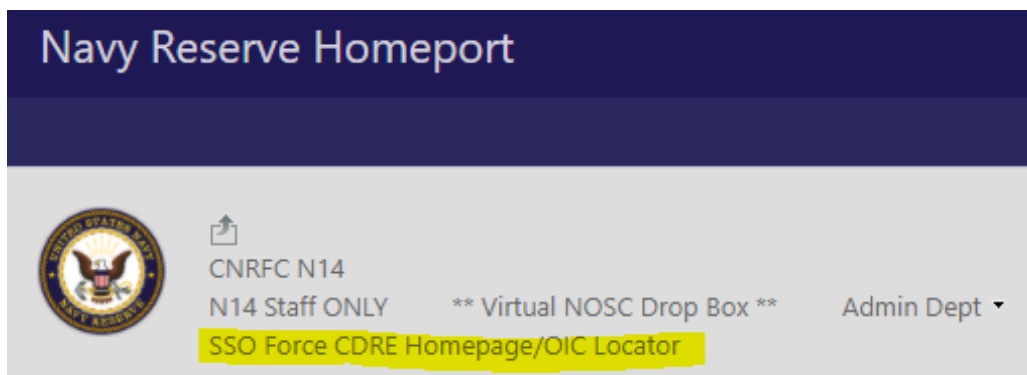

To locate **your OIC/AOIC**, you'll need to access the **SSO COMMODORE SharePoint** via:

- The quick-link icon on the N14 SSO Homepage, on the right side of the website; OR,
- <https://private.navyreserve.navy.mil/coi/StrategicSealiftOfficerForce/Pages/default.aspx>

On the SSO COMMODORE SharePoint, click the **button** in the middle of the page located underneath "OIC/Mentor Locator". This will take to the list where you can search & locate your **Group, Group CDR, OIC, and AOIC** along with email contact information.
