### PROGRAM MANAGER NOTES

Strategic Sealift Officer Shipmates,

In our quest to better serve our Strategic Sealift Officer Force, this edition of the N14 Newsflash will start including Operational information and feedback from our MSC N15 staff. Our intent is to better educate our Force on the operational impacts that come from individuals and teams in a ready Force.

In light of scheduled TACAD mobilizations and to improve office efficiencies, N14 is transitioning the following responsibilities (*new areas in italics*) within our team effective November 11, 2024:

**Officer Development:** Post Commissioning Indoctrination (PCI) Course, Readiness Events, *All Gains, Losses, and Transfers, and Personnel Movement Requests (Ensign +) within UIC 2525M and our four SSOF Groups*

**Manpower:** NSIPS Data (Command Pay/Personnel Administrator (CPPA), Electronic Drill Management (EDM)/Funeral Honors (2<sup>nd</sup> NRA Approver), Home of Record (HOR) corrections, Record of Emergency Data / Dependency Application (RED/DA), Retirements/Separations, etc), Mobilization/Active Duty, Non-DTS Travel, ZipServe, *Command Individual Augmentee Coordinator (CIAC)*

**Command Services:** Correspondence (ADT Waivers, Awards, EDM, FLTMPS Training entries, FITREPS, etc), EDM/Funeral Honors (1<sup>st</sup> NRA Approver), Security and Security Clearances.

**Operations/Travel:** NROWS and *DTS Travel*

Following up from last month, the Group Commander focus areas will be shared at the November Director's Call. These focus areas will be shared in the December N14 Newsflash.

It is a pleasure to serve with you!

**CDR Lee Dortzbach**

**"In peace and war"**

**ADMIN/NROWS**

Please be patient as FY25 orders are written within the limitations of Congressional Appropriations (Continuing Resolution and budget). We work towards timely orders approval with travel, but are occasionally challenged.

**RESERVE SERVICES**

- The FY25 Correspondence Course List is pending SECNAV signature before official release. N14 Reserve Services will notify all members once the list is officially released.
- Fathom@us.navy.mil can no longer be used for Flank Speed log in prompts. You need to use your full Flank Speed email which ends in @us.navy.mil. Please reach out to your OIC / AOIC if you do not know your full Flank Speed email.
- NMCI accounts can no longer be put in a dormant status. Members are encouraged to install Nautilus Virtual Desktop (NVD) on their personal computers. NVD contains a function to validate your NMCI account from your personal computer. Email nvd@us.navy.mil from your Flank Speed email to request an account and receive set up instructions.
- A maximum of 10 NOBCs will show on Officer Summary Records (OSRs). Currently, there is not a way for members without corporate-level NSIPS access to view a comprehensive list of their NOBCs. Members can contact N14 Reserve Services for a list of all their NOBCs or to adjust which NOBCs show on their records.

**PERSONNEL/MANPOWER/TRAVEL**

In order to guarantee the completion of DTS vouchers in the quickest time frame possible, please ensure that you attach the following applicable:

**COMMAND FITNESS LEADER**

Updating PRIMS with 2024 PFA scores are still a work in progress. Ensure to upload all documents to the CFL Share Point page.

The Physical Readiness Program (PRP) office is currently working on 2023 scores as N14 is unable to update PRIMS. The office only has 6 people for the entire Navy Force so again we ask for your patience with us and the PRP office.

All CFL related questions are to be forwarded to the CFL distro **ONLY!**     [n14\\_cfl\\_cnrfc@us.navy.mil](mailto:n14_cfl_cnrfc@us.navy.mil)
