

Greetings Shipmates!

Happy 97th Anniversary!

The 97th Anniversary Recognition Ceremony will be held at the U.S. Navy Memorial on Friday, 2 March at 1100. The format will include Sailor, OMBUDSMAN, and Employer recognition. It will also include the presentation of a Navy Superior Civilian Service Award, an award that recognizes civilian contributions that serve as a model for other commands.

In addition, the Reserve Flag Wardroom will also play a role in reinforcing the Navy Ethos and celebrating this milestone. Travel by 20 or more Reserve Flag Officers to select locations will be executed. They will conduct reenlistment and promotion ceremonies for those Sailors unable to travel to the National Capital Region. This will help ensure that the celebration is recognized at Navy Operational Support Centers across the country.

Latest Updates

Family programs exist to assist and empower our Reserve leaders to care for service members.

Free-of-charge to you, online tutoring is available 24/7 for every Navy Reserve member & family member, regardless of drilling status. Tutor.com provides an on-demand professional tutor whenever you need help. Work one-to-one with a tutor in an online classroom on your specific homework problem - until it's done. While the most common demand is for high school algebra (the tutor uses an interactive whiteboard system - think SMART Board), tutors are online for all levels & subjects, K-12 & college, including proof reading. The Office of the Secretary of Defense has funded this program. Sign up now at www.Tutor.com. Select the purple "for the Military" button.

This is great information from Fleet Master Chief Benning on how to create CSADD Chapters. If your unit has not created a chapter yet, what better way to start off the year, we talk about challenging our Sailors; this is wonderful opportunity to do it.

"YN1 Griffiths, Navy CSADD Administrator, has established a very informative and functional web site for CSADD that will inform Sailors how they can start a CSADD Chapter, watch videos created by CSADD Chapters, provide information sheets on the monthly topics, discuss CSADD of the Year, and will soon have frequently asked questions. " (FLTCM Benning)
