

Greeting Shipmates!

Over the next couple of Weekly's we will cover each line of the Navy Ethos. This week we review the fifth line.

"We are patriots, forged by the Navy's core values of Honor, Courage and Commitment. In times of war and peace, our actions reflect our proud heritage and tradition."

We just wrapped up an incredible week here in DC. We hosted the Five RSOY Finalists, Patriots one and all. Any one of them could represent our Reserve Force and make us proud, in fact they all do make us proud, including the one finalist that was chosen, MA1 (SCW/FMF) Douglas Newman. Petty Officer Newman will be back in DC in May to be meritoriously promoted to Chief Petty Officer by the CNO and MCPON.

Each one of our finalist embody the truths of Honor, Courage and Commitment!

Congratulations!

BZ to our Newest Master Chief and Senior Chief Petty Officers! Well Done! You are the next link in the chain and will carry on our heritage and traditions.

Family programs care for our service members.

Boys & Girls Clubs of America memberships are available at no cost for children of Navy Reservists who do not live near active duty installations. More than 70 percent of military families live outside military installations. Through funds provided by the Armed Services, military youth have access to a one-year, no-cost membership at a traditional Club. Today, more than 15,300 military youth are served at 1,216 traditional Clubs. Visit www.bgca.org/military and enter your zip code to find a club.

Navy Reserve eligibility for 2012 "Operation Purple Program":

Kids of Reservists serve too! The non-government organization National Military Family Association's "Operation Purple camps" are for having fun, making friends, and reminding military kids that they are the nation's youngest heroes. Tuition is free.
