

Greeting Shipmates!

Over the last six weeks we covered each line of the Navy Ethos. This week we review the seventh and last line.

"We are the United States Navy."

It does a nice job in summing up the character of our Sailors and Civilians.

We are Professionals, Integrity is our hallmark, we work as a Team, we are Patriots and we will give all in the Defense of our Nation. We may be different in terms of jobs, roles and whether we support our Navy full time, part time or as Civilians, but we are one, our ethos runs through us just as veins run through a body, it enables us to move, act and guides us in all we do. In short, it is our DNA, (Department of the Navy, America).

Our Character makes us strong, our Sailors, families and Civilians make us great!
