*E4-E6 Advancements:*

We are adjusting the timing of the advancement announcement in order to maximize our promotion opportunities and to optimize our billet structure. The additional time will give us a better picture of how many we can promote now and in the future. When we achieve the best possible outcome for both, the results will be released. I urge you all to keep doing what you do best, keeping our Reserve Force ready. Thank you for your support, professionalism and patience.
