

Greetings Shipmates

This past weekend I had the honor to speak at the retirement ceremony of one of the best Sailor's that I know, he retired after 20 years of honorable service to his country as an AWF1. He was a prior Aviation Ordnanceman and I was his first LPO, then as now, he is a man of honor who constantly chooses the welfare of others above self, I would like to share a line from his retirement speech, he shared that someone said to him, "I have met many 'Master Chiefs' who retire as 'First Classes". That certainly is true in this case, you see it's not what is on your collar that makes you a leader, its what's in your heart, he is a true American Hero who I am proud to have served with, thanks Joe!
